3. Meeting Notes, Decisions, Issues, New Business

- Meeting called to order at 2:13 PM by Chairman Norwood
- Deferred annual report style discussion until next scheduled full council meeting.
- Chairman Norwood made a motion to accept previous meeting minutes. Motion moved by Mr. Torey Alston and seconded by Mr. Bill James. Motion passes unanimously.
- Legislative update
 - Ms. Pippin informed the council that the monitoring of legislation is still in progress. Legislative activity will probably begin to pick up after the organizational and committee sessions.
 - Ms. Pippin indicated that she has received 2008 subcommittee's recommendations from the Foster Care and Family and Economic subcommittees along with the Economic subcommittee's contribution to the Top 15 Recommendations Matrix. She reiterated that Mr. Alston's submission of the Top 15 2007 Recommendations matrix should be considered as a model for what she is expecting from each subcommittee chair. Upon receipt of aforementioned items, Ms. Pippin will compile an overall report for the 2008 subcommittees' recommendations and the Top 15 2007 Recommendations Matrix to be inclusive in the annual report.
- DSO appointment status
 - Chairman Norwood informed the council that no appoints have made to the DSO at this time. Appointing entities such as the President of the Senate and the Speaker of the House may be waiting to make all of their appointment thus resulting in the delay of the appointments to the DSO. Chairman Norwood expressed that he along with the Attorney General should make their appointments prior to other appointing entities in order to fulfill half of the DSO membership to at least conduct an initial teleconference.

- Mr. Gainey reiterated that General McCollum is prepared to make his appointments but would prefer to be in harmony with the other appointing entities.
- Establishment of local Councils on the Social Status of Black Men and Boys
 - Chairman Norwood informed the council that as a body, we are statutorily required to develop a strategic plan to provide guidelines for the establishment of local councils.
 - Chairman Norwood asked the council to brainstorm and consider the following questions/suggestions:
 - “How do we inform communities about forming local councils?”
 - Councils should be county based and membership should be representative of state and local organizations (DJJ, DCF, NAACP, local police department, etc.) as outlined in Senator Wilson’s proposed resolution.
 - James: “That is the time frame to submit a strategic plan to establish local councils and who will have the governing authority to approve council membership?”
 - Norwood: “Need to establish a committee in order to create a policy to address the logistics and functionality of local councils within each county.”
 - Requested that the following members be a part of the strategic planning committee:
 - Levi Williams, Charles Calaman (Office of Senator Wilson), Senator Frederica Wilson, Emery Gainey, and Chairman Norwood...Mr. James indicated that he would like to be a part of the strategic planning committee. In addition, Rev. Dr. Albert Simpson, Jr. requested to be a part of the committee in an effort to represent Jacksonville. Chairman Norwood reiterated that committee discussion is open to all council members.
 - Mr. Calaman: Emphasized that smaller counties may not require a local council...may want to partner with larger counties in implementing local council.
 - Dr. Close: Contact the current chair of Indiana Commission on the Social Status of African American males...difficulty in coordinating the sub councils and their approach.
 - Chairman Norwood: Local council should submit what they are doing at the local level to the state-wide council; report to the

state council during council meeting at the annual Preventing Crime in the Black Community Conference. The Council need to provide some direction

- Ms. Lima: Who will fund these local councils?
 - Chairman Norwood: Currently, in Palm Beach there is no funding mechanism in place...community leaders, organizations, etc...are voluntary coming together to address the issues that affect black men and boys within their area.
- Mr. Gainey: According to F.S. 16.615 the strategic planning committee would need to develop some recommendations and proposals as it relates to funding initiatives for local councils. In addition, Mr. Gainey iterated that three council members that were assigned to the aforementioned committee will be terming out of office in January 2009 unless reappointed.
- Mr. Calaman: Reminded Chairman Norwood of a previously submitted email that referenced establishing seven urban centers or one in each county. Requesting a response by January 15, 2009.
- Travel Policy
 - Mr. Gainey gave a brief overview of the travel policy. Council member travel requests shall be presented to the OAG Council Staff, who will forward a copy of the request to the Executive Committee for review and approval/disapproval. The Executive Committee shall consist of the Chair, Vice-Chair, Treasurer, and Secretary. All requests should include estimated costs (lodging, transportation, meals, and other expenses) and brief description of the nature of the trip.
 - In addition, Criteria for Approval, the following questions should be considered by the executive committee when evaluating each request (s):
 - How critical to the success of the council is this trip?
 - Is another council member better suited to take the trip?
 - Could another member travel at a lower cost or no cost?
 - Could the same outcome be accomplished in a teleconference?
 - A majority vote of 3 Executive committee members is required in order for travel request (s) to be approved.
 - Chairman emphasized that requests should be submitted 4 weeks in advance to the executive committee via email for approval / disapproval. In addition, this policy is to be implemented for requests outside of the premise of

scheduled council meetings.

- Chairman Norwood made a motion to accept travel policy. Motion moved by Mr. Bill James and seconded by Ms. Lillian Lima.
- Chairman Norwood concurred with Mr. Gainey that policy procedures could be advanced in the event of unforeseen / emergency circumstances. Vice-chair, Dr. McCoy asked that capitol calls be included with it comes to emergency circumstances. Mr. Gainey emphasized that this policy adheres primarily to those six council members who are not affiliated with a state agency.
- Dr. Close made the point that the Executive committee need to know the status of the overall budget in order to base their decision when approving or disapproving travel requests. It is important that the council do not over extend the travel budget in order to avoid financial depletion prior to the 2009 fiscal year.
- Chairman Norwood gave a brief overview of his trip to Tampa at the David Anchin Center with Dr. Elam and research staff. Inform staff of each subcommittee's focal areas and goals.
- Dr. Donna Elam concurred with Chairman Norwood that she along with the researchers had a productive meeting with Chairman Norwood. In addition, Dr. Elam requested approval for departure trip from Tallahassee to Tampa Thursday, October 16, 2008 in order to meet with Dr. Close, Dr. Fayemi, and Commissioner Smith to discuss the Educational subcommittee report and the 2008 annual report.
- Chairman Norwood motioned to approve Dr. Elam's travel request for October 15, 2008 to meet with Commissioner Dr. Eric Smith in Tallahassee. Motion moved by Mr. Bill James and seconded by Ms. Lillian Lima. Motion passed unanimously.
- Staff asked that Dr. Elam submit her expenditures via email to obtain for their records.
- Adoption of bylaws
 - Chairman Norwood made a motion to accept the bylaws pending the inclusion of the travel policy and the duties of the council. Motion moved by Dr. McCoy and seconded by Dr. Regnier.
- Status of subcommittees' reports
 - Dr. Billy Close – Educational Outcomes
 - Draft report is still in progress. A draft will be submitted to Dr. Elam and subcommittee members for their considerations.

- Mr. Torey Alston – Economic Outcomes
 - Initial draft has been submitted to Chairman Norwood and Dr. Elam and staff for their review. Mr. Alston asked that Chairman Norwood review subcommittee's strategies in order to determine whether they can be referenced as possible subcommittee's recommendations. Chairman Norwood indicated that he and/or Dr. Elam would follow up with Mr. Alston regarding his request.
- Dr. Emile Commedore / Representative Perry Thurston – Legislative Review
 - Staff informed council that in the event of Dr. Commedore's absence that Representative Thurston and Ms. Pippin will be facilitating the legislative review report which is to include the submission of a narrative / executive summary, Top 15 recommendations matrix, and 2008 subcommittees' recommendations.
- Mr. Levi Williams – Improving Criminal Justice
 - Staff informed council that the Improving Criminal Justice subcommittee's report status is still pending. However, Mr. Williams did express that the report would adhere to draft outline that was submitted to each committee member that was discussed during the criminal justice teleconference. In addition, a draft should be submitted by October 17th.
- Ms. Lillian Lima – Foster Care and Family Issues
 - Initial draft has already been submitted to Dr. Elam and staff. In addition, graphics will be included in the report that support further research.
- Matrix follow-up: Inquired and requested the advice of Chairman Norwood about who the responsibility entities would be for foster care and family issues recommendations for 7, 8, and 9 and how to follow-up with responsibility entity in completing the matrix .
 - Recommendation #7 – Education Commissioner / Department of Education (responsibility entity). Lima: How do we follow-up with this recommendation? Dr. Elam indicated that she could follow-up with Commissioner Smith during scheduled Thursday meeting regarding this particular recommendation. Chairman Norwood suggested that DCF and DOE partner together in order to fulfill this recommendation requirement. Lima: How can DCF require that school district implement kinship care support programs?
 - Recommendation #8 – Implement Department of Children and Family Contractual Guidelines with regards to CBCs.
 - Recommendation #9 – Self - explanatory

- Chairman Norwood reiterated that the purpose of the matrix is to inform the council and to monitor whether anything is being done with regards to the proposed recommendations. In addition, the council's goal is to research relevant issues and to propose solutions. Ms. Lima concurred but reiterated that when council members are representatives of state agencies, it is imperative that we understand the process and details behind proposed recommendations before placing them into the content of the Annual report especially if they cannot be achieved realistically.
- Dr. Elam suggested that one of the recommendations should be to establish / encourage relationship across the system and let each entity work through with procedures.
- Dr. Eddy Regnier – Health Outcomes
 - Initial draft has been submitted to committee member, staff, and Ms. Sullivan. However, draft is still in an editing status. Final draft with recommendations will be submitted before the end of the week. In addition, Dr. Regnier indicated that he would like to receive some input / feedback from subcommittee members prior to submitting final draft.
- Chairman Norwood reemphasized that final reports are due prior to or on Friday, October 17, 2008. In addition, final annual report will be submitted Wednesday, November 19, 2008 to the council during full council meeting in Orlando.
 - Full council meeting will be a working meeting to address format, style, additional research, appendices (economic impact section for every subcommittee's issue)
- New Business
 - Chairman Norwood asked staff to establish a time and date for strategic planning committee with regards to the establishment of local councils and to get a consensus via email from those selected committee members as well as to interested council members.
- Meeting adjourned at 3:44 PM
